Dear Mr. Polizogopoulos,

I am in receipt of your letter dated November 29, 2010 regarding a constitutional challenge. Only members of the Carleton University Students' Association are eligible to file a constitutional challenge. In order to be in receipt of a challenge in accordance with our bylaws, Ms. Lobo will have to submit a challenge with her name and student number so that we can verify her membership in the association. Both of these items will be removed from the challenge upon confirmation of membership.

Our organization's meetings are not open to non-members of the Association, they are only open to fee paying members of CUSA. As such, your request to attend both our Constitutional Board meeting and the Constitution and Policy Committee will not be granted.

Regards,

Alex Sirois  
President  
Carleton University Students' Association
